“ The last time I saw Joe was a very long time ago but I remember the warm hug and big "hello" he gave me. Joe and Margaret Ann were always welcoming and fiendly to me when we would gather at "the farm" for family get togethers. My thoughts and prayers are with,you, Margaret Ann and all the family.

“ The last time Joe and I had a conversation - too many years ago - we talked about our friendship in high school. He, John and I were three who were always in church on sunday - mother's influences. Margaret Ann, and all the Hellstern family, our prayers are with you. Our comfort comes from knowing he is no longer suffering and he is with God.
