“ Joel was one of the greatest basketball players that I watched play and coached. He played for us at Foothill High School and then came to American River College when I was coaching there. He was an outstanding guard and a wonderful team player. After he left Sacramento he moved to Arkansas where he kept in touch with me. My wife Vicki and I enjoyed meeting his wife Val when they visited Sacramento. Joel was a very special person who will always have a place in my heart.

“ I had the honor of serving as Joel's high school basketball coach for three years. Joel was an outstanding player. He earned first team all-city his senior year. At one time they participated in 35 consecutive victories. Joel is the third member are of that team to be deceased. They all were wonderful young men and will always be in my memories and in my heart.
