“ *John was one of the first people I met when I moved to Gentry over 30 years ago. He gave me a chance when most would have told me to move on. He taught me so much and was always there when I needed him. He taught me much about life, and what it means to be a man. He taught me about how life really works. We spent hours working and talking together. He was a good man and a great friend. I am truly lucky that God brought John Barbee into my life. He will be deeply missed.*
