“ Carol,
I check the Wasson obits from time to time and saw that your husband had passed away. I wanted to send my deepest sympathy to you and your family. I didn't know John, but if he was your love, I know he must have been a fine man. I have moved from Pensacola, FL. to Minden, LA.
I don't think that I have your mailing address so I hope that you get this message and know that my thoughts are with you even though I just now learned of your loss.
Love to you,
Evalyn

“ *I remember John as one of the quietest boys in school. But he had a sense of humor and you would often see him almost hiding a smile.*
I know that he will be missed because we missed seeing him when we had our class reunions in Gentry.
My prayer is that God gives you all the comfort promised in His Word.

“ I haven't known John but about 2 years. He was a hard worker and always there when you needed him. He was a gentle, kind and honest man whom so many respected. I enjoyed getting to know him better over the time I spent in Oklahoma with Brett. Helping John take care of a sick cow at Brett's house was an "eye opener" for this "city girl". That cow is still alive due to his persistence. He will truly be missed.

“ Carol, Brett, & Colton: I was sadden to hear of John's passing. May God keep and comfort you during this difficult time. When I think of John, I remember back as a child whenever you guys baled our hay here at the house, and across the creek. I remember John driving that green Deutz tractor with his baler, and you, Carol, raking the hay, and snakes getting tangled up in the rake! I also remember when he and mother worked at the Telephone office in Gentry. When I was snowed, John took mother and I to work several times. Mark Hendren
