“ I am so sorry to learn of John's passing. I should have kept in better communication. John was so special to FFA. I first met him a IPPE in 2013. He came up to the FFA booth and made such an impact. We remained in contact since that time. I was reaching out to see how he was doing and found the obit. I am sending a photo of my last visit to Siloam with John. It includes National Officer Ridge Highbanks and Senator Bruce Maloch.

“ John Haid was always willing to help, all you had to do was ask. He bred exceptional Appaloosas and the ApCHA was very proud when he turned his attention to cutting. His expertise and knowledge will be sorely missed. As well as his encouraging words and quick sense of humor!! RIP dear friend...

“ John will be greatly missed by his class mates the class of 54. I met John when I moved here and started 8th grade. He was always friendly and had a big smile. He was active in all our reunions and married my best friend Ann Whiteside. So I have lots of great memories to hold on to.

“ John was always a great encouragement for me when I would see him at church. He was always at church on a Sunday morning with a big smile on his face and welcoming everyone as they came in the door he was greeting. He was a great example to me as a man that would always serve his church and love his community. I will deeply miss seeing him every week. I am thankful for his walk with God and that he is in heaven right now. Prayers for all of his family and friends as they walk through this time.

“ I smile everytime when thinking of John. He was forever a positive enjoyable guy to be around. Many great memories of fishing with John in Canada (thank you Phil Cerny) and a forever great example of "southern hospitality". John would send me a note of appreciation for the time would would meet at ADSA meetings, World Dairy Expo etc. I was the one privileged to met with him. A forever lasting memory of a man that lived life right up to the finish line. Congratulations John, and thank you for setting the bar for us to live up to. My condolences to the Haid family, but know that John leaves a legacy and nothing but fond memories with the people he made acquaintance with. We are blessed to have known him.

“ Our prayers go out to the Haid Family. So sorry for your loss. We have a tremendous amount of respect for John. A hard working family man. A smile crosses my face when I think of all pictures he took to share with family and friends. He enjoyed life to the fullest in work and play. Terry and I will miss him dearly.

“ I am grateful that God placed John in my life. When I think of John, the word "Faithful" comes to mind. John was faithful to his Lord, his family, his work and to others around him. Growing up on a farm, hauling hay, raising cattle and working horses, we had a lot to talk about. I will miss my conversations with John on Sunday mornings where he faithfully served and worshiped for so many years. John loved his Lord, his family and his church family. Well done, John, well done!
