“ Linda my sympathy to you and your family,

At a time like this I found words were awkward, but those who share the words are expressing care. Those who care hold you in prayer and thought. With the love of Christ, family and friends one can learn what the new normal is. I will hold you and your family in prayer every day for at least one year.

“ John's smile will remain a memory in our heart. May the Lord bless you, his family, and keep that smile in your heart as continue on each day. Heaven is a real place where we'll be reunited some day with our loved ones. Knowing that he is whole again and rejoicing with the Father hopefully gives you great comfort.
God Bless your family!
