“ *I was so sorry to hear of John's passing. The Pautsky family, John, Lena and Paula are the best neighbors and friends to have when your growing up. I knew I could always run up to their house if I got home and Mom and Dad were not home yet. John was always interested in what I was doing in school and he would come down to our house to help Dad out in whatever project he had going on. We will miss him very much. But I feel grateful to have known him as friend and as a neighbor.*

“ *John was a very special friend and neighbor. He was always there to help out. He loved sitting on our front porch and visiting with both Glenn and I, and we loved him coming also. He showered us with veggies from his garden each year and we looked forward to seeing him coming with a wal-mart sack full of goodies from his garden. We grieve for his families loss and for our. Our deepest love to the Pautsky's.*

“ Even though we haven't been able to see alot of each other over the years...I have many precious memories. My Uncle John has always been a very special person in my opinion.... "bigger than life" Maybe that comes from being married for so many years to such a wonderful, sweet wife. My son especially remembers fondly the summer Uncle John took him for the first time to out to catch frogs that were as big as Heath was. There just aren't many people like my Uncle John and Aunt Martha Lena.
My two cousins-Paula and Sharon have have always been very loving and caring souls.
I truely have been blessed that God placed me in such a special family.
