“ Possibly I am in error but if correct I am saddened to hear of Johns passing.

I assisted in remains recoveries in Rabauul PNG.

we hosted John and his team with Brian Bennet.

We introduced him to the delights of Vegimite (axle grease according to reviews) and "Old Kedge Rum" nasry stuff but excellent paint stripper!

John and his family were generous hosts at Fort Shafter in Hawaii when I visited and I cherish my honorary membership to what was called CIL at the time.

I am now 76 thank you for the memories.

Regards and our best wishes.

“ Just read in the paper tonight about John's passing. So wish I would have known earlier to be able to attend the services today. John was always so kind to me. I was a friend with John, his son, and we had a lot of special times together at the house and farm. He provided me work, let us eat waffles at 4 in the morning, let us go fishing in his boat, let us build the coolest treehouse in the area (complete with a fireplace), and gave us freedom to "live" in the outdoors on the farm. Thank you, John, for your positive impact on my life.

John, if you get this message, please contact me at DaySpring or at home. I would love to visit. Blessings.

“ We just learned of John's passing this afternoon after the funeral. I would like to attest to the comments made by Tom Dixon - a good friend and always looking out for others. He left his imprint on many young men to whom he was always an outstanding example of wisdom and integrity. He is missed.

“ John was a long-time family friend and my 1st sergeant in the National Guard. He always saw to it that the battery had money to buy steaks to grill when we went to Ft. Chaffee. He always looked out for his men. I admired him greatly and he will be missed with fond memories. Tom Dixon

“ I served with John from 1972 until he retired in 1984. I remember that flat top he worn. SGM Bobby Fletcher.
