“ Johnny Mac brought such joy into the Babcock family! Just as all six of us kids were flying out of the nest and scattering all over the area, Mac added a spark to the lives of Dad and Mom. I got to know my dad better by watching him play with Mac. Now, they're together again in heaven💕💕

“ *Condolences to the family and especially to his mother, Lynne. I will always remember Johnny Mac as a little blonde haired boy at his mother's side. Whether at Old Blue, Fast Eddy's, or just around town, they were always together. I hope the memories of the time you spent together will give you comfort. Peggy Steele Chenault*
