“ There will never be another Johnny Tennison. Knowing him has been a very wonderful experience. We will miss those trips to Tulsa on the weekends. Also, the trips to McDonalds on Saturdays and after church. We love you!

“ Was very sorry to hear of Mr. Tennison's passing. I enjoyed visiting with him when he came to the clinic in Jay over the past several years. He was always very funny and had a positive attitude even when his health problems were worsening.

“ John "T" was a model friend and family member to my mother, Edith and father, George Plant for many years. He and Judy's surrender to our Father God endeared them both to our hearts forever! They loved people and shared all they had with them...thank You Jesus, for these precious saints! Even though Jerry and I weren't there for the services, we know we will see you both in the Presence of our LORD! Love you!

I think of him each time I look at my kitchen table and see his "chair", that one place he always sit when you guys came to our house. we have so many good memories of him.

We love you and God loves you. We will miss him dearly...Carol

“ *John brought much happiness and fun into my family. My husband Tim Cagg and John were half brothers who only met in the early nineties. They became very close and we always enjoyed visiting John and Judy and learning all about the Tennison family. My children learned of their Cherokee heritage and are very proud of that. John and Tim were so much alike, it was a joy just to watch them together. Tim passed away in 1999. My children and I send our sympathy and prayers to Judy and the family.*
