“ *Joe and Polly Breeze have been two of the most caring and giving people we have ever known. They were respected by everyone who knew them. If there was a job to do they were the first ones there with their sleeves rolled up and ready to work. They made the world a better place by being here. They loved each other, their family, their friends, their church and their God. Joe will be missed but he left many memories for us to be grateful for. Our thoughts and prayers are with you Polly, Sherry and the family.*

“ MAJ. Breeze exemplified what a State Trooper is and was intended to be. He was a member of the Academy Staff (a LT.) when I attended Cadet School (1979). Throughout my career MAJ. Breeze was always friendly; willing to help; a mentor; and always professional. He was a credit to the KSP who served with dignity and honor. My condolences to the family for their loss. sincerely, Tim Hazlette, Class 58.
