“*Judah was truly an amazing young man! He didn't realize it, but he taught me so much during the time he was enrolled at Trinity Christian Academy. I checked my attitude against his many times, and always failed. I never heard one complaint from him. Even though he wasn't able to play as rough and rambunctious as the others, he always had a good attitude. When he would have a particularly bad day, he still had a sweet spirit and a good attitude. Judah had a way of drawing people to himself. The students, teachers and staff all loved and admired him. The world was a better place because of Judah. May God bring peace and comfort to Judah's family and friends now and in the coming days.*

“*Judah was an amazing, Godly young man. He touched me in many ways. From the time i taught at TCA to the times we interacted after the school closed. God used him greatly in many areas. I wonder how crazy heaven was there for a bit when Judah showed up. May God comfort the family and friends he left behind and may we never forget the christian character, servitude, and dedication Judah showed*
He will be greatly missed!

“ I remember when Judah was born. What miracles GOD worked as HIS people prayed! His attitude, love for the LORD and strong determination to not let his weaknesses stop him from working and serving his LORD.

I remember to evenings when Judah would come over to Leola's and we would eat a meal and have game night.

Judah is a great inspiration and he was and will always be to all who were touched by him. Love you all Leetch and Ryan Families!

“ May God comfort each of the family members as you walk through this valley of the shadow of death. We did not know Judah Daniel , but we lost a son that was a little younger than him in an electrical accident and we cherish his memory just as y'all do of your loved one.

We've found that each person in the families has to grieve in their own way and own time, so we encourage each of you to be aware and allow that process in the coming months. We found a helpful program called "Grief Share" that's available in many towns that are listed on the website www.griefshare.org . Parents and other family members just like you going through loss of loved ones meet and share their struggles and successes and view a short film that offers helps and advice from counselors.

We are of the Christian faith and we dealt with our pain based on our belief that God is still sovereign, even when we don't understand tragedy.

It is always good to hear people remember and name the one you've lost. Judah Daniel will not be forgotten by friends and I hope they'll share their memories of him with you.
