“ Judy was one of my Mother's Society sisters and a great friend to both of my parents, Reba and Lloyd Holtzen. They played cards, belonged to a supper club, and ran around in your Dads old Car, I think it was a kit reproduction car. I remember your mom's laugh. I am sure you will miss her terribly.

“ Lee and family. Your parents were very special to me, my heart goes out to you. Not sure if you remember me from when you were very little, I used to babysit you for a few years, absolutely precious.

“ Lee and family, you are in my thoughts at this hard time. Gene and Judy were both very special and good friends to so many. Your mother was the perfect example of grace and hospitality. I loved to watch the two of them dance, and I think they are dancing together again in Heaven.

“ Lee, you and your family are in my thoughts and prayers. Our family has wonderful memories of both your mother and father. Your dad and my husband Mike loved to golf. At the Four Ball Golf Tournament, your parents would host a group of us in their home. Judy's back yard was always beautiful. She took such wonderful care of her flower beds. Your mother always was so loving, cheerful and always had a beautiful smile. Miss Judy will be missed.
