“ *Bill & Family,*
We were so sorry to learn of Judy's passing. It was a real shock to read about it in the paper after the fact. If we had known we would have attended the memorial service. You are all in our thoughts and prayers.

“ *Your mom was such a great lady. I remember in high school, she was the delivery of many cheerleaders! I used to work in her pottery shop, too. She was a fun lady! My deepest condolences, Kim.*

“ I loved going to your Mom's shop and doing ceramics, she always made me feel "artistic" when I really am NOT!!! She helped me make many a Christmas gift! She was a wonderful, encouraging lady.

My prayers are with you all, I know it is so hard to loose your Mom. Today is my Mom's birthday and i miss her so much. Love you Kim and the rest of the family.

“ *I'll never forget all the good times we had and calling her Judy, Judy, Judy! She was always very kind to me and I'll never forget that. She was so talented, she could make something out of nothing! I'll miss you Judy Jo but I have some wonderful childhood memories. Love you Kim!*
