“ We at the Siloam Springs Senior Activity Center/Meals on Wheels program would like to extend our condolences to the family of sweet Julia. She was a favorite of the volunteers who took turns delivering to her daily. She always included a cheerful note with her donation that she faithfully made to our center each month. She and Henry ate daily at our center before his passing. So, it goes without saying we came to know her well and felt true affection for her. We are proud that we were able to help her stay in her home up to her passing. She was a true lady who will be missed!

“ I lost my own mother shortly before I met and married Judy's son Steve. She has been "another mother" to me for over 22 years now and I will miss her. She was a strong woman with a big heart, and she raised three fine men. We shared some very happy times, at the Buffalo River, in Branson, at the bingo games, weddings and family reunions. I am comforted by the knowledge that she is again with Henry, the love of her life.
