“ I have know Junior for many years. As a kid in the same church I spent many hours in his (their) home. His life was a witness to people he had contact with. He will be greatly missed.

Junior and I got acquainted through Tired Iron of the Ozarks and our interest in old tractors. Our faith in God was also an important factor. I will certainly miss him. I am not physically able to be at the funeral due to some current health problems but am praying for the family today.

“ Junior was one of the good guys, genuine to the core. In my dealings with Junior I always came away knowing he had put his best foot forward to take care of my mechanical auto/truck problems. I felt he had Christ Jesus on his mind and in his heart and was a great witness to me. He had qualities that few me could claim within his heart. God bless you Sue and family.
