“ *The loss of such a young and brilliant man creates a void in each of us. Justin was a kind person, always willing to spend a few minutes to make everyone feel important. We connected when we both found we had Dalhart connections. I pray God's peace on the entire family. Justin's faith gives us so much hope for eternity. If there is anything I can do, please do not hesitate to call on me.*

“ Justin was a great guy. He helpd out with the siloam golf team, and taught us a lot about life, both on and off the golf course. He was a great person to work with, and to be around in general.
