“ *Dear Keith  
Please accept our most heartfelt sympathies for your loss. Kathy was a wonderful case manager and brought much joy to her patients. Her colleagues here at American Health have expressed warm thoughts about her humor and dedication to her profession. She would help anyone with any thing that had to be accomplished. We will miss her so very much.

“ *Keith, Rhonda, Tammy, Pam and Uncle Clarence, and families. My heart goes out to each and everyone of you in this time of sorrow. I loved Kathy with all my heart! She will always be remembered for her smile and wit. I remember those days of mowing yards and going for ice cream when I was in college. She was taken way too soon, but God needed her. Love you all!
