“ Grady gave me my first job in 1970. That's when I first met Miss Kathleen. I thought she was a beautiful woman, and I never saw her without a smile on her face. You didn't see her out in the store often, but you always knew she was up in the office looking out over you. She and Grady were always really good to all the high school students they employed; amazingly enough, I think they both remembered ever one of us! Losing her is a great loss for everyone who was fortunate enough to have known her. God bless you, Miss Kathleen. I know you're still looking down over us...

“ We the Classmates of University High School /Peabody Elementary, on the Campus of the U of A in Fayetteville, Arkansas, wish to extend our deepest sorrow to your family for the loss of Kathleen Andrews-Lamb. We have been unable to locate Kathleen, one of our UHS Graduates, until finding her Obituary in the newspaper. We hope it helps somehow to know that her classmates will miss her and she will never be forgotten in our memories. We started trying to locate UHS Classmates for our All School Reunion in 2014. We were, however, able to find classmates from 1938 to 1977. Unfortunately, many classmates were never located.

We will keep your family in our prayers and Kathleen forever in our hearts.

Love, UHS Classmates

“ My husband, Dwain Batey, and I were honored to have worked for Grady, Kathleen and Brian in their IGA store. Kathleen was always very gracious and welcoming. She always had a kind word to say and was always very helpful. I recall Grady coming to the bakery to get Kathleen an old fashioned donut almost daily. He told how she was his doll and it was his job to care for her and make her feel special. Theirs was a true love story. He adored her..... She will be greatly missed. Our thoughts and prayers are with her family at this time.
