“ *Marilyn and Butch,
Your mother was a really wonderful woman and, though it has been a while since I last saw her, I was so sad to hear of her passing...but so happy to have known her! Christmas parties, flying sausage balls, drama trips! Great memories ;-)* So many people loved that amazing lady, and I am honored to have been one of them.

“ *I have some great memories of Saturday nights spent at the Edgmon home eating and watching movies. And laughing. ALOT. Kathryn was such a sweet lady and always smiling. She will be missed but her memory will live on forever. May you find comfort in those memories.*

“ Our thoughts and prayers are with you. Your mother was a wonderful person and always so much fun to be around. I have good memories from my visits with your family when I was young and will always cherish them. Your mother was a fun and loving person who made it fun to be around and I always looked forward to seeing her when we went to visit.
My condolences, Leisa Hampton and my Mother Colleen Edgmon, who still cannot use a computer to this day.

“ Kathryn was a very special person. She had a wonderful smile and was usually very cheerful. She was always very kind to us and she will be missed by all. May she rest in peace.
I never think of the old days of playing softball on the old JBU field that I don't think of Kathryn keep score for the team, Butch humming the ball in from the out field and Marilyn, I seem to remember a certain Saturday morning and you and I drinking Orange Juice or at least that was our story that day.
