“ *We love you all!*

May God grant us all that wonderful peace that passes all understanding!

We choose to celebrate the joy of a wonderful niece's life and not sorrowing with her passing because she's in a so much better place than we are.

God Bless you all!

“ *I have such fun, fond memories of Kathy and I can see her beautiful smile and sparkling eyes as clearly as if she was standing in front of me. Kathy was a beautiful, loving person - inside and out - and she will be sorely missed. My thoughts are with her family who treasured her so and now has to get used to living without her.*

Love, Kelly

“ I first met Kathy in 1974 and had the privilege of knowing her and spending time with her over the next 14 years! I always loved her and can still see her wonderful smile and eyes that sparkled and crinkled up whenever she smiled and laugh. She is a sweetheart and I am truly thankful and blessed by knowing her and the time spent through those years! The Lord used her in a special way for me and she was instrumental in my life spiritually. I am so thankful to know she is at Home with Jesus who she loved with all her heart! I will see you again Kathy, in the morning!

“ I met Kathy when she started working at the bank. It didn't take long at all to see what kind of sweet, special lady she was. Her smile would light up a room when she walked in. I loved to hear her talk and laugh. She loved her family dearly. She always looked forward to spending time with her grandchildren. Her eyes always lit up when she talked about them. Kathy had many friends at work; everyone loved her. She was so happy when she met and married Denver. Her eyes also lit up when she talked about him. I want to extend my deepest sympathy to the whole family, her husband, mom, sister, brothers, and grandchildren. I pray God give you all strength during this time, and I look forward to us all seeing her again some day.

“ I remember first meeting Kathy at the home of Juanita Myers. She was upset about some girl her boyfriend was friends with. I remember telling her, you have nothing to worry about, you are so much prettier than her! Well, Kathy's life seemed to come full circle since then and she became a beautiful Christian woman who influenced many lives. God did that in her. What a sweet spirit she is. I hope she has a nice visit with my husband Mark up there in heaven when she gets around to it. My love and condolences to all her friends and especially her family. I am so sorry for your loss.

I only knew Kathy for a short time but she always treated me as though we were long time friends and I will always remember her as a very dear one.

“ I had the privilege of working with Kathy at Commercial Federal Bank. She took me under her wing and helped me to learn about commercial real estate. Like so many other people, I remember her smile. It was always so bright and beautiful. Kathy was very gracious, even when I need smack upside the head.

Our loss is heaven's gain!
