“ I am so thankful that God,Rhonda and Thomas entrusted me to care for you. You have made me laugh when I was tired, smile when I was sad and now I cry because of the beautiful life gone too soon. The world is a little sadder but Heaven is a little more beautiful with you in it. I love you Keisha Rainbow and I will cherish in my heart the last conversation we had.

“ I have known keisha for 10 years 7 of those were durring high school. She was one very smart, funny, courageous, and adored woman. She always had her own random ways of making people laugh and the qualities she posessed were rare and wonderful. You raised one heck of a woman and did a great job doing it. My thoughts and prayers are with you she will be sadly missed and if you need anything please dont hesitate to ask. God Bless

“ *Although I didn't know Keisha personally, I had heard a lot about her from my son Jonathon through the years, and I just wanted to say I am so very sorry this tragedy has happened. From Jonathon's perspective Keisha was a wonderful person that he thought a lot of and I just wish there was something that could ease the pain that will be felt by many as they start to process the loss of this beautiful young lady. Please know you are all in our thoughts and prayers.*
