“ *Was always a pleasure to have Ken as a customer. He was always full of wit and humor and enjoyed being a prankster with his retired badge and his donkey kissing trailer. Ken was always proud to shop with us and we all considered him a friend as well as a great customer.*

“ *I started working for Ken in 2013 at the Tulsa County Assessor's Office. He was my boss and friend. He was always willing to help anyone in need...had a huge heart. I have so many memories and was blessed to know him. It was such fun to plan his retirement party for him after 16 years as the Tulsa County Assessor.*
