“ I was lucky to share the stage with Kenda Lou on several occasions at the Sager Creek Arts Center, and even more recently with the Siloam Springs Center for the Arts. Kenda Lou, simply put, was WONDERFUL. On stage, and off...she knew how to play to an audience. The last show we did together was "It's a Wonderful Life". (Where she stole the show with her funny bits). The news of Kenda Lou's passing brought to mind a quote from that show:

*“Strange, isn't it? Each man's life touches so many other lives. And when he isn't around he leaves an awful hole, doesn't he?”*

*Kenda Lou...thank you for making me laugh. You, my friend, were indeed a STAR!*

*My prayers to her family and her dear friends.*
