“ Gene was a dear friend and just the most pleasant person to be around. I always loved visiting with him and will miss him - he and Judy were such a special couple. They had a special marriage and I know Judy feels great loss, but also know she loved Gene too much to keep him in this world when he is now at perfect peace resting in the arms of our Father God. Gene once shared with Charlie and I an experience he had being instrumental in bringing a friend to know the Lord. I always recall how excited and happy Gene was that this friend accepted Christ when Gene shared his faith with him. Such a wonderful legacy!

“ Uncle Gene was the “Best” of the best. Whenever he was around, he lit the room up like it was on fire. He had a way of always making you feel at home no matter who you were or how he knew you. Loved him very much and will miss him dearly!!! Our love goes out to Judy, Lee, Angel and the kids. Love you all and wish we could be there with you. Love Always Patty, Lexy, Tyler and Spook

“ I am so saddened to hear of Mr. Omo's passing. Although I did not know him very well personally, he was one of my father's close friends and golfing buddy. When my dad was ill himself, Omo as dad called him, would always come visit and when our house burned down 3 days after Christmas last year he was very concerned about us and asked my father about us frequently as to how our new house was coming along and how we were making it. I was so touched by his kindness. We are praying for your family at this very sad time. May God bless and comfort you.
