“ *Sending prayers and hugs for Randy's family. Randy and I had a lot of great times being teenagers in the streets and gravel roads in Earle, way too many to list, but we went to a few concerts, and had some back road races in which I did manage to beat him once..lol I will always remember his love for cars and his smile and his laugh. He had the most gentle soul and a way of making everything ok. I will always cherish the memories and he will always be in my heart. Rest in peace now my friend. <3*
