“ So sorry for your loss. Your family is in my thoughts and prayers. Wonderful school memories with Kenneth and then years later getting to reconnect as I taught Kenneth in 2nd grade. May you feel God's peace and strength.

“ Kenneth was in my class in grade school. I remember the boys wanted him on their softball team because he was big and strong. He could hit that ball! And if he was on your side, you were sure to win at black man and red rover. Kenneth had a speech impediment that made it very difficult for him to speak. But he would try so hard. My very favorite thing about Kenneth was watching him with his marionettes. I can still see him performing on the gym floor with them in front of the whole grade school! I have thought of him often over the years and have many good memories of him from almost 70 years ago. God bless his family.
