“*Just heard of your loss, and we are sorry in Kenneth's passing.
Nelson knew him as a young man, before he married or had
children, as he attended church at Highland when Rev. Jesse
Coleman who was pastor, Nelson's brother. The first on his children
were about the same age as our children and we have very
pleasant memories regarding him, His father Elzie and his mother
Tina as well as his sister who died when she was 14yrs old. We will
remember him and our memories from the 1940's thru 1960's. We
hate that we are loosing that era of life. God Bless and Keep you.*

“ *We will remember Kenneth and his music. Have spent many hours playing music, and listening to him sing and play the fiddle. He was a kind and gentle man and I know he is going to be missed. Our thoughts and prayers go out to his family.*
