“ I just wanted to say it was a fun knowing Kenny. He would have something to say or wave when you seen him. My kids really did like him. Just like one day I seen him. He told me he was Pat's CEO at church. I asked how was that. He replied with a smile " christmas,easter,and odd occasions" That is how he was and forever remembered. He will always be Pat's CEO to me. We will miss you Kenny.7

“ Kendra,

Just a note to say thanks for allowing me the privilege of speaking at your father's funeral. It was obvious he was well loved by many and that he was dearly loved by you.

I will keep you in my thoughts and prayers during the coming days. May God hold you close during this time of loss. If I can ever be of help, do not hesitate to call.

“ Kendra, Sherry, and Pat; I just got to know Kenny over the past few years. We had lots of good conversations over the phone and I'll never forget the flea market trips. I'm sorry his life was cut so short. He was certainly entitled to many more happy years. I can't be there for the funeral but my thoughts will be with you. I know we all will miss Kenny immensely.
