“ I was shocked and greatly saddened when I heard that Kerry had passed on. She will be missed by everyone who knew her; like others have said, even when she was feeling bad herself, she always, always asked about your family and had something funny to say. My heart goes out to all of you; I know you will miss her so much more than the rest of us; but I also know she would want you to find something to laugh about, even now!

“ We have alot of memories growing up together. There were alot of good times shared in our neighborhood. From riding bicycles to the pool, spending the night with each other, going to ballgames and just being friends. It was fun. We would like to express our deepest sympathy to you all.

“ Kerry was a lot of fun to be around and you never walked away from her without a smile on your face. I am sorry that i won't be there Monday, but each of you will be in my thoughts and prayers, and I won't be saying good-bye to her,--- I will be saying " I will see you again". I will always treasure the memory of walking into Jepson's and seeing her behind the counter throwing paper wads into the trash basket and seeing if she could make it. She had all of us cracking up laughing and Ken was encouraging her to make another basket. And of course, that was Kerry. Always doing something so funny and different and also very unexpected. She also took so much pride in her family, and that was awesome. I love her and will miss her, and will see her again. God Bless Each of you.

“ I love Kerry so much and cannot thank God enough that she was my friend and for the time and memories that I will cherish forever. My heart is so heavy when I think of the pain you are feeling right now and find your strength in God to see you through the many difficult days and nights ahead. Thank you so much for sharing Kerry with all of us, our lives are so much richer and happier because she part of it. None of us or the entire community will never be the same without her physical presence; but without a doubt, **HER SPIRIT AND MEMORY WILL LIVE ON AND ENRICH US ALL FOREVER.** So much love, sympathy, moral and spiritual support to you guys and of course I'm always just a phone call away.

So sincerely,
Barb

“ joe, janet, and family: kerry was a very special person. she had a keen sense of wit and humor. as an educator of her children, kerry was always concerned about how they were doing in school. she was a good mother. when I would see her, she would always take time to ask about all of my family. she was a caring person. may God comfort you during this difficult time.
