“ I was so sorry to hear about Kevin. I remember so well Civics class when he would listen in and we would try to talk to him using the little black box (that didn't work about half the time). Kevin was funny in a dry way. I will always have good memories of him. I will remember Kevin's family in my prayers

“ I was in the same class with Kevin at Prairie Grove. He was a very nice, quiet person. I remember Kevin's Grandmother when she lived at Rhea's Mill. She was friends with my husband's Grandmother, Veda Ditmars. I am very sorry for your loss.

“ I was so saddened to read about Kevin's death in the newspaper. I remember him as a very quiet and shy person, but also kind and always respectful. I remember the time he was at home and we would speak to him through a box in the classroom, and were so glad he was able to eventually join us at school. I know when you lose someone, you always want them to be remembered. Even though I didn't know him well, I do, and will always, remember him.
