Rest in peace my wonderful Maddy, I know you accepted me as your daughter long ago and I never forgot that. I love you dearly and I hope that you are resting with The Lord. I miss you and I know the pain will never go away, but I wish to see you again. I wish u could have been here to watch me get married, see my beautiful babies and hold them. But I know you will be watching over me and seeing all the beautiful moments of mine. Know that I will never be able to repay you for all that you have done for me, thank you for your unconditional love all these years. Bless your beautiful soul. I love you so much daddy.
