“ *Larry was a good man, a man of God he will be missed very much by his family and his church and the community*

Jimmy Asher - January 18, 2018 at 12:07 PM

“ *To all the family of Larry Dale Ellis, Please accept my deepest sympathies of brother Ellis' passing. I too recall what a wonderful job he did in officiating at my step-father's funeral - Ted Johnson, who preached at Gentry for many years, in February of 1979. His words were of much comfort. I did not know him as well as others, but knew of him and some of your family members. You have to have much comfort in knowing what a faithful Christian man he was. May God be with you all in this time of sorrow.*

“ I received the heartbreaking news that Larry had passed. Heartbreaking because he wasn't just a minister, he was a friend, a rock to cling too when it seemed like everything around you made you feel like you were drowning in despair. It never mattered to him which church you were attending, or if you had ever even given him a moment of your time. If he heard you were hurting, or needed help, he made sure to give you all of his time that you needed. I cannot begin to tell you all the things he was to our huge family. He never saw our flaws. He just saw friends and I heard him say every time he oversaw the funeral of one of our family members, he felt like he was losing family too.

Larry Ellis was a man of God and in our small town, he was everything to everyone. He will be missed...he already is. My thoughts and prayers go out to his family.

“ *I met Larry here at siloam springs nursing and rehab, where I am a nurse. The comfort and joy he brought to so many of our residents was so wonderful to witness, I enjoyed speaking with Larry on many occasions and he always had a smile while walking down these halls. I have been to several services he has preformed and the way he spoke the sound of his voice made you feel all would be alright even in the saddest of times. Thank you Larry Ellis for your kindness and dedication to so many people, my condolences to his family for your loss and thank you for sharing this special man with all of us.*

“ When you are blessed enough in life to have known someone like Larry and Louise, this time is so hard! I am not family by birth but married into his family when I married Tracy his nephew. From the first time that I met this precious family I felt honored to be family with them. Larry married Tracy and I in 1979. He was the kindest most gentle man I have ever known. His voice alone could calm the storms going on in my mind and heart! He made me know and believe that there is a God and that He loves me! He lived a life that served many well! So this home, this church, this community, this world has lost a true and faithful servant! God has welcomed His son home. I will remember and aspire to see the world as Larry did. May we all look at our brothers and sisters here on this earth as important people to our Father as Larry did! Larry may you rest in your Father's arms and know that we will try to be to the world what you taught and exemplified in your life and teachings. Dear Louise I know what you have given through his service to the Lord. The late nights alone with him at the hospital or any number of things. Thank you for giving Larry to all the people he touched. I know what you have given. You are a jewel and he was successful because of you and your support. Now we support you! My heart hurts for not only his family and church and community and world in his absence but I know God will see each of you through! To his children what wonderful people you have become! What a legacy you have been given! Love to you all!

“ There aren't enough words in this world to describe how loved Larry was. He will always be loved in our thoughts and memories. Someday, when the healing truly begins, we will think of him with a smile instead of the tears we shed now. We will miss him always, but we will be with him again. That is our great hope and the thing that will get us through this. If anyone in this world deserves heaven and a crown, it is Larry. May God bless you with comfort at this difficult time. I'm always here for all of you. I love you all.

“ No words can adequately express the way this community loved brother Larry. How do you put into words how much someone means to you? This kind, gentle, loving man has helped me and brought me through the hardest times of my life. He will be forever missed in my heart, as well as many others'. It's not good-bye, it's "See you later". I know I will always be closer to my Lord because of the influence of Larry and his family in my life. God bless the family with comfort at this difficult and trying time!

“ Marsha and my heart goes out to Larry's family. He and Louise were friends through school and the remainder of our lives. Larry and the "boys" of the neighborhood had many pickup ballgames as kids. Larry was a great athlete in organized sports or pickup games. The Best of Larry although was his friendship, dedication to life, family, and God. He will be a loss to Colcord community but will be joining a community of those who preceded him in heaven.

“ *Our entire community and surrounding area mourns the homegoing of Larry. He was called on to conduct funeral services for many, many, many folk because he was the pastor who had grown up in our community and knew all of us. He was gifted for bringing comfort and peace to broken, sadden hearts time and time again. We all are asking ourselves - why? There are no answers except our lives are in God's hand. Bill & I learned that our ways are not always God's way and His way is best even when we don't understand. We certainly don't understand this situation but must continue to trust in God and know as believers in God, we shall see Larry and our loved ones again some sweet day. May sweet comfort and peace sweep over your souls at this difficult valley you are walking through. Our prayers and love to all of his sweet family. Bill, Jean and family*

“ We lost such a caring person, Larry held service for several kin folks and friends and would help so much in helping heal broken hearts. He always waved when meeting on road and went out of his way to say hi and ask how you and family is doing. He will never be replaced.

“ I knew Larry as a child when we would go to grandma Spencer's house every summer. When we went to church on Sunday he always had an upbeat and scriptural message. He had a captivating personality and he never met a stranger. I have not seen him for many years but he made an impression on me that I will never forget. Huge loss to the church and the town of Colcord. God is in charge and he took Larry home. That is a fact. Jonathan Norman

“ Larry helped me in so many ways after my Uncle Tony and little brother died. He was a shining light at the end of a very, very dark tunnel. I know my favorite part about church should've been God and learning about the word, but Larry's hugs at the end of each service were what I looked forward to the most. I'm going to miss seeing your big smile at the door and hearing your laugh while you were hugging me with all your might telling me how good it is to see each other. Rest easy up there in the beautiful kingdom with all of our loved ones. Until we meet again.
