“ Dear family-just wanted you to know how sorry i was to hear of your husband's dad's passing away. I don't know if you remember me or not but I remember you two in school (Gravette). And I remember seeing your mom & dad. As soon as I saw your dad's picture and the name I knew who he was right away. I've been out of school for 40 years but it seems like yesterday. I have a twin brother(David)and we graduated in 1969. Please except my deepest sympathy. Hold on to all your memories because death can't take that from you. May God bless your families and fill the void left in your hearts..Diane(Presley)Bennett
