“ I was very sorry to hear of Larry's passing. He was a wonderful and caring man. He always had a smile on his face and a kind word for all of us whenever he came in. He was very thoughtful and brought gifts on several occasions. I still treasure the "Larry boy - the cucumber" from the Veggie tales, that he gave each of his girls(as he liked to call us). He will be sorely missed. Your family is my thoughts and prayers. I look forward to seeing Larry again some day soon walking the "streets of Gold".

“ Larry was a dynamic individual whom I had the pleasure of knowing as a friend and customer. I feel sad from his passing, but know he is in "good Hands" now. If there is anything I or my family can do for your family, let us know.
