“ I have just watched the video of you Linda, Larry, family, and friends. If I understand correctly, you and Larry were given 9 extra years of being together following his diagnosis. It wasn't long enough though, was it, and no matter how prepared we think we are to lose such a dear loved one, we're never ready.

I well remember the good times we had with the two of you, along with mutual friends and pray that those memories and especially family memories will do much to ease the pain of his leaving for his heavenly home this soon.

May His comfort and peace be with you as He holds you in the hollow of His hand.

*With love and prayers,
