Larry David Ross, 80, passed away peacefully on February 20, 2025. He was born in Siloam Springs, AR, to Edwin and Ruby Ross on August 5, 1944.

Larry was an Air Force veteran. After his service, he served his country at the Department of Defense. Through his job, he was able to fulfill his love of traveling internationally. This resulted in him creating wonderful friendships all over the world.

Larry was also gentle and caring, with a calming presence. He always made those around him feel loved. He also particularly enjoyed sharing his love of chocolate with his grandchildren and great-grandchildren.

He was also a musician and a hippie with a gentle spirit. But most of all, Larry enjoyed spending time with his friends and family. He was a loving father, partner, Poppy, son, friend, and AKA Casey Fox, whose memory will forever live on in the hearts of those who loved him.

He is preceded in death by his parents, Edwin Arthur Ross and Ruby Blanche (Harvinston) Ross, and his life-long love, Janet Louise Sutterfield-Ross.

“ *Larry was the kindest most gentle soul I ever met. I lived with him as a companion for 16 years up until he died. I will always love him and never forget all the precious memories we shared. Thank you for sharing your life with me in the last years of your life. He loved all his animals with his main partner being Shiloh and Smokey who were with him most all the time. May peace be with you my sweet precious companion and love. Edith*
