“ LaRue and Kermitt were really good friends with my folks. I used to pick strawberries other there. They had a TV before we did and every election year we would go over and watch the election with them. LaRue would also have candy and etc for us to eat. I have alot of WONDERFUL memories. I remember when Peggy was adpoted we used to played together. Peggy & Jim you are both lucky to have had great parents. I know it's tuff, but just keep trusting the Lord and HE will see you though.
