“ Shelly,
I was so very sad to find out you went to be with the Lord. We were friends, our very young early years, in Yukon, Ok. Many memories of you and our times together. We drifted apart but you will always remain in my heart. RIP my friend. We will meet again someday.

“ Shelly.
You were my sister in law and my friend we had some good times together. I wish we would have stayed in touch more since I moved.

We had plans to have matching cars ie eclipses. You will be forever my sister my friend and always in my heart ❤️

*Love
Ellen*
