“ Lauren and I were close. We shared memories during our days at Ozark, get aways in Branson with my family, camp meetings at Ozark, and off and on through out this year whether we were driving around venting about our lives or watchin a movie on the sofa. She was nothing short of a God given angel. Had the most golden heart. Never judged another. She was always open minded and kind to others. She was beautiful, fierce and loved her family and friends very much. I have nothing but love for her. I cannot believe she is gone. I know I will see her in Heaven and I can't wait. Her absence breaks my heart, but I know she is at peace. My condolences to her family. She was the most beautiful soul and will never be forgotten.

“ Dear Stephanie and family,

I was devastated to learn of Lu Lu's passing...she was a precious girl, gifted and beautiful and sweet natured. Samantha and LuLu had so much fun together...they were always trying on each other's clothes and boy they could chatter about all kinds of things, I could never get a word in. She had a flair for style, another God gifted talent among her voice and writing ability. She was fun to be around because of her bubbly personality. I will always remember her, every single day. I am so sorry for your loss, and for all our loss...she will be missed tremendously. May God comfort you as you grieve for your child. We all grieve with you.

*With Love,
Pat Adams*
