“ Lavada came into my life when I became secretary here at FBC Siloam. Come to find out she knew my mom and all her sisters and one brother. She had lived in the area they grew up in. She shared with me some amazing stories of growing up! What a joy to know such a sweet lady! I am glad she is pain free and with her loved ones again! I know she is dancing in the streets of heaven with her hat on, no less! I am blessed to have known her for a brief moment in this life.

“*Lavada was always like a big sister to me. Her parents and my parents were very close friends. We took piano lessons together and we were not supposed to chew gum during our lessons. One particular Saturday I had gum in my mouth and Miss Speaks was so disgusted with me.....(she had warned me about gum many times before).....So she made Lavada hold my gum in her hand. Lavada was so mad at me and everytime after that, she would always check to see if I had gum in my mouth before we went in for our music lesson.*

I will miss Lavada, but I rejoice that she is not in pain anymore. I am sure there was rejoicing in heaven when she was reunited with all her family members!

My prayers go out to Jaleta and Coy and the entire family.

“*Growing up in the McCoy household Lavada was like a big sister to me. I learned to ride a bike on hers. I remember her and Nellie locking me out of the bedroom because they wanted girl talk and didn't want some little brat bothering them. Through the years we have remained close friends keeping up with each other and our families. Recently she had me sending her pictures of my great gradson. Lavada felt like she was just another one of his grandmothers. I miss you "sis" and I always will.*

“ Your parents were assigned to us as deacons when we joined First Baptist. They were wonderful, loving, caring people. The joy of the Lord truly shone through in their lives. I can picture them rejoicing together in Heaven as they are reunited with our Heavenly Father.
