He got a ticket for surfing under the OB pier on his 30th birthday

“ Leigh (or as I know him, Mr. Coulter) was my 5th grade teacher in Poway. He was my favorite teacher. Even I could see as such a young age how much he cared for his students and loved teaching. I was a bit of a handful at that age and he was always so patient with me. I am almost 35 now and have 3 children of my own. I have thought about Leigh many times in the past years. I am sorry that it took me this long to look him up and to find he passed away. I have always wanted to thank him and apologize for being a pain in his neck :-D You made a difference, Mr Coulter. You are remembered.

You all had a place in his heart.

“ We taught school together, shared dinners, hiked the deserts of California & Baja Mexico, biked map less canyons, washes and mountains.

Most of all we shared time, ideas, thoughts and laughter. I am very fortunate to have known Leigh.

Thanks Buddy

Kathy - Dan told me of Leigh's transition. Such a sweet, good and intelligent gentleman. I'm sure you will miss him much, but he will always be with you in spirit. Hugs!

To my beloved husband, I miss you and always will. You were and always will be my love. I will never remove your ring as I know you are still with me. I still have your ring and will always keep it with your ashes and we will be buried at the same time when I pass away and come to join you. I can't wait for that day to come. My family is being a great help for me and great support. They loved you Leigh. I Love You.
