“ Leo and Idabell both have held a very honored place in my heart! They have given me a example of how you should live and treat others! I count myself very lucky to have known them and called them my friends! Very few people have the respect and reputation they have in the community! Leo lost his zeal for life when he lost his wife and I witnessed a broken man try to go on without her! I know this because he told me! He is now united with her and I am sure they are celebrating with the Lord! Thank you Leo for being a friend, a mentor and an inspiration to how we should live! So long my friend until we meet again!

“ *Dennis, Dave, Don & families.....we are so sorry for your loss. May your memories and God's love bring you peace, comfort and strength at this difficult time. Death takes the body. God takes the soul. Our mind holds the memories. Our heart keeps the love. Our faith lets us know we will meet again.*
