“ Roy J, Thanks for being my friend, fishing, and hunting buddy. I never will forget the day we were putting the boat in the water, and you thought the boat was free to launch, and I told you to pull the trailer out. Then you did, but the boat was still attached to the strap of the trailer, leaving the boat on the ramp without a trailer. Never will forget the look on your face "Shock". You said lets get this thing in the water now, before anyone see's us. Your strength showed up quick, because you lifted that boat almost by yourself. Thanks for being my friend though thick and thin. I will fish the green worm just for you. I Love You

Double my prayers are for you, and God is going to take care of you. The Bible tells us that you are the apple of His eye. God said He would never leave or for sake you. God is going to take care of you. HE LOVES YOU!!!! AND so does Debbie and I.
