“ Dearest Bill,
I didn't have the pleasure of ever meeting your father. I have to say from the bottom of my heart, that if Mr. Lamphear was anything like you it would have been a real honor to have met him. In the short time I have had the privilege to get to work with you, the display of your integrity, loyalty and genuineness are characteristics that I feel your dad would have been most proud of. What an awesome legacy for a dad to have left behind! That says alot!! My deepest sympathy to you and your family Bill.
