“ *I became acquainted with Les in the early 80's while working at Franklin Electric. He was someone with whom I had an instant rapport. We developed a good friendship and had many in-depth conversations. He was just a good ole boy who had an honory streak about him.*

*Les was extremely devoted to his family and would discuss them often. He will certainly be missed by those that new him. My thoughts and prayers are with the family!*

“ *Sally and family, Tim came home from school and informed me of your father's passing and we are so sorry to hear it. Our thoughts and prayers are with you and if there is anything we can do, please let us know. Even tho we didn't know your dad, he must have been a wonderful person to have raised such a sweet daughter and a great teacher. God Bless Each of you.*
