“ *Grandma Leta was a good person in her own way. In her heart I know she loved each and every one of us. She was there for me when I was young letting me stay with her and taking care of me for periods of time. I look back now and I chuckle as I remember the home perms. Oh how I hated those home perms. One of my favorite memories of grandma is when my sister and I spent two weeks with her when she lived in Siloam Springs. She made us a bunch of shorts and tank-tops while we were there. I thought I had gotten a whole new wardrobe. My last good memory is the last time she was at Aunt Ruby's and we went to visit. We were playing cards and grandma told us the story how she cooked 2 lbs of beans in a crock pot. It was so funny. I have that day recorded on my video camera and I will always cherish it. Aunt Ruby, Lynette, myself and grandma playing cards and laughing.*

*To my aunt and uncles, I send you love and hugs and will keep you in my prayers.*

*Grandma Leta, your at peace now, please give my daddy and Aunt Jewell a hug and tell them I love them. We will all be together soon.*
