“ Letty Jo and I worked and shared the same office together at Webb Wheel before she was married. She had such a sparkle to her personality, a ready and easy laugh, and loved being with other people. She seemed quick to love and quick to forgive. That was approximately 1964.

My sincere sympathies to Letty Jo's family.

“ *"The world has lost someone very special"*
I have worked with Letty Jo her at CPG since 1999.From my very first day I was like most of us here,drawn to her charm,courage and warmth.As the years went by she became my mentor.I could go to her for anything.She would first listen to me and then give me advise that i could trust and count on.

I feel Letty Jo did her job here on earth,she was an amazing mother,wife and friend.And above all she loved her Savior Jesus Christ. And displayed her faith each and everyday.I knew what Letty stood for.

Frank,Jeff and her dear family,In the days ahead I pray you find comfort in all the memories you shared with Letty Jo.And may the Lord bless you all durning this time of sorrow.

I love you Letty and you will be missed here each and every day.

“ Letty Jo was my first Sunday School teacher @ Bethel (when I was 8 years old.) She taught me so many life lessons throughout the many, many, many years we've known one another, and her presence in this life will be greatly missed. Her legacy of love will continue to touch lives because of the lovely lady she was, and taught others to be.

My prayers and thoughts are with Frank & Jeff. May God comfort and guide you at this time.

“ That Letty Jo will be missed is the understatement of the century. She has been the kindest person I have ever met or ever expect to meet in this life. She has always spoken the truth in love and always modeled her dear Savior. If anyone wanted to know what a Christian looked like, all they had to do was look at Letty Jo. She set a high standard that will be there as long as any of us who knew her remember her. Her sense of fun & smile lighted up any gathering and made us all friends when she was there. She was my angel on earth. Angels & Letty Jo are linked forever in my heart. I look forward to seeing you in Heaven, my dear friend & will treasure every memory of you until that glad day.

“ Letty Jo will never be replaced at Community Physicians Group or in this community. She was one of a kind and from "the old school." Everyone looked to her for comfort and guidance and she never wavered. I knew that whatever I needed, Letty Jo would figure it out. She was one of the most dedicated persons I have known with her family, friends, and fellow co-workers. Our prayers are with Jeff, Frank and the rest of her wonderful family! We are blessed for having known her!

“ We were so sad to hear of your loss. Our thoughts and prayers go with you at this time. My husband has known Lettie for many years, but I met her only recently. She was such a wonderful person, we spoke of her love of angels, which I'm sure she is in the company of now. She was always there to help whenever we needed something. She has created a void in many lives that will be hard to fill. May God be with you and bless you during this time.

“ Lettie Jo will certainly leave a void in this community. She was one of my first friends when I started attending Bethel U. Methodist 13 years ago. She played the organ at my wedding to Roy. She was a special person in countless ways and I will miss her, along with many, many others.
