“ I remember Lindy, my cousin from when I was about 3 or 4 years old. He was a very loved member of our family. He always seemed happy. I have been around him more in the last few years. He grew the best tomatoes that he shared, shared lots of stories and always seemed glad to see me.

I offer condolences to his family and may God be with you during this sad time. Judy and I will not be able to come to the service but will be thinking of Lindy and you all.
