“ Agenia, I never knew Lisa but I know what a special person you are and how difficult this must be for you. I've enjoyed looking at the pictures of Lisa and one can tell through the pictures of how special she is. I love you and wish you and your family healing during this difficult time. My prayers are with you and may God bless you and your family.

“ I had the pleasure to meet and get to know my second cousin, Lisa, at a wedding this past September 2021. I was coordinating/decorating and she was the MOH. It was a special weekend to get to know her and her sister. We shared stories and laughed a lot. I remember her and the Bride, my adopted Niece - Shyla, dancing and laughing on the wedding day. Lisa seemed to leave a ray of sunshine wherever she went that weekend. I am grateful to have had the opportunity to get to know her and talk about my Dad, David, who passed in 2019. She hought the world of him. I have faith that he was there to give her a hug and share laughter as she transitioned from this earthly plane. My heartfelt condolences goes out to all of the family. My only wish is that I had had the opportunity to know her sooner.
